With more than six years of experience in full stack marketing, I own proven skills set to generate the best possible return on investment.

My skills have evolved with a rigorous dedication to the work and my career growth.

I have been recalled for consultation and rehired on projects by the people I worked with in the past due to mutually shared honest and profound experiences.

The skilled full stack marketers are extremely rare and they know the entire marketing landscape with their practical understanding. I am one of them.

Hi All,

For the past 2,3 days we have been getting a lot of Leads our first record was 70 then 92 and yesterday was 113.

Wasim thank you for all the effort & hard work you been putting in also with managing the remote team.

Your hard work & resilience is paying off 😊.

With all these leads we should be looking a brighter year & coming out stronger. Sales team will hopefully achieve our closing rate of 40%

Thank you all for you hard work & lets stay strong this year.

Best,  
Michael
